## Stay & Play at Days Inn & Suites Jekyll

Jekyll Island is Georgia's largest public golf resort with 63 holes on three 18-hole courses: Oleander, Indian Mound, Pine Lakes & the historic Great Dunes 9-hole course.

### *Oleander*

Dick Wilson's *Oleander* design is consistently ranked among the state's best courses.

### *Indian Mound*

Joe Lee designed *Indian Mound* course with wide fairways & large sloping greens. Cut through woods and beautiful lakes, the layout showcases Jekyll Island's spectacular scenery.

### *Pine Lakes*

*Pine Lakes* course went through a 3.2 million dollar project in 2002-2003, by designer Clyde Johnston. This course features lakes, bunkers, and completely redesigned greens, irrigation, & cart paths.

### *Great Dunes*

The historic *Great Dunes* 9-hole course remodeled in the 1920's by Walter J. Travis, is an authentic links course with elevated tees, mall greens, and prevailing ocean breezes.

The Jekyll Island Golf Center is complete with driving range, putting green, bunker, and professional instruction. The Golf Pro-Shop offers a full range of golf equipment, apparel, golf-carts, and rental clubs.

Before or after your round, enjoy the relaxing atmosphere of Morgan's Grill, a full-service restaurant and lounge.
